

# Great British Summer Festival

## July 22nd & 23rd

### Stallholder Application Form

Miss Ivy Events Ltd is pleased to be taking applications for our forthcoming Great British Festival at Mount Edgcumbe, Cornwall.

The Festival will take place in the House and gardens and Barrow Centre of the Park. The concept is to create an event that celebrates 'All things British' with music, dance, displays, classic cars and stalls all in this stunning location.

We are able to offer gazebo pitches in the Barrow Centre. Gazebos will be provided and erected for all stallholders. Please note that due to the large size of the 6m x 3m gazebos there will be 2 businesses in each gazebo if a 3m x 3m pitch is booked. If you wish to share with a particular business please let us know.

There is also a large marquee by the house which will host over 20 exhibitors and some exhibitor space for Vintage stalls will also be available in the house. We are looking for artisan, vintage, home and garden, gift and food exhibitors at the Festival.

Our aim is to have as broad a selection of quality products relevant to the event on sale to satisfy both customers and stallholders. Please note that due to the popularity of the event for stallholders, **the completion and return of this application form and deposit payment is not confirmation of your pitch booking.**

Applications can be sent via email to [jo@missivyevents.co.uk](mailto:jo@missivyevents.co.uk) or posted to Miss Ivy Events Ltd, Oak Hayes, Bal Lane, Mary Tavy, Tavistock PL19 9PE.

We will confirm receipt of this form and once the selection process has taken place, email your confirmation of booking to you. If your application is unsuccessful, you will be placed on a waiting list and contacted should a stall cancellation occur. You can pay stall fee by BACS, cheque or PayPal. BACS & PayPal payments will be refunded and cheques returned should your application be unsuccessful. Cheques will be cashed upon confirmation of your stall booking. Please note payment is required in full with your application.
